100 years and more of the great outdoors

GUIDANCE TO NEW WALKERS / GUESTS TAKING PART IN A WALK. (2022 edition)

You are very welcome to join us in our walks and we look forward to meeting you and hope that you will enjoy your walk/s with us, with a view to joining us as a Member of the Club.

Before embarking on your first walk it is most important that you understand that you walk at your own risk and the Club, its Officers and Leaders cannot be held responsible for your safety.

That said we do everything we think practical and reasonable to offer you a safe and enjoyable experience.

In this context it is most important that you read our “Guidance to Walkers” and its associated links on our website. These aim to help you understand what to expect on any grade of walk, what to bring and if in any doubt to seek further clarification before attending the walk.

Potential new members / visitors and friends may only take part in a maximum of three walks before applying for membership (see our Club Rules)

Sorry, but due to Safeguarding children / young people are not allowed on our walks. Dogs are also sadly not permitted.
